Traffic violations are an important cause of traffic accidents, "said a person in charge of Guangzhou traffic police. During holidays, residents gather for meals and engage in more folk activities, resulting in the most accidents caused by drunk driving among various types of illegal behaviors; In addition, illegal behaviors such as speeding, failure to adhere to safe driving intervals, and failure to yield according to regulations can cause significant damage.

During the Dragon Boat Festival, Guangzhou traffic police will comprehensively strengthen the management of road traffic safety in Guangzhou by strengthening situation analysis, danger clearance, road surface control, unblocking and ensuring smooth traffic, emergency response, and publicity services, and make every effort to prevent major and special road traffic accidents and severe traffic congestion.

The traffic police department reminds drivers and friends who drive during the Dragon Boat Festival to conduct safety checks on their vehicles before departure, plan their travel routes in advance, adhere to a safe speed and distance when driving on the road, refuse overcrowding, speeding, overloading, and avoid fatigue and drunk driving.
